1. The State-Army-Navy-Air Force Coordinating Committee on 4 January 1948 approved SWNCC 304/6 (Incl #1) which establishes a National Psychological Warfare Organization in time of war or threat of war as determined by the President (Par. 5, Page 45). It provides for certain powers for the Director of this organization (Par. 5b(3)) and certain authority for the organization by Executive Order or under law (Par. 5c). It is requested that you advise this office as to the necessary measures which must be taken to legalize this action. Specifically, an opinion is requested relative to the following question:

a. Is there any necessity for Congressional legislation to establish this organization, or can this organization with all its appendances be legally established by Executive Order by the President?

2. If legislation is necessary, it is requested that you furnish an outline draft of such legislation.

3. If an Executive Order is all that is required, it is requested that you provide a draft of such an Order.

- (4) Provide for the internal management and organization of the organization in such manner as he may determine.

This Office is of the opinion that action by Congress is not necessary to accomplish the objectives set out in attached SWHOC Memorandum 304/6. There is attached a draft of an Executive Order (Inclosure 2) which is submitted for your consideration and study, which is believed will accomplish these objectives. It may be noted, however, that if it be desired that the Director receive an amount of pay greater than be allowed administratively under present law, an Act of Congress would be necessary.
